## General Liability

Coverage for you and your company for claims involving bodily injuries and property damage resulting from your products, services or operations

## Commercial Property

Coverage for a loss or damage to buildings and personal property owned by a business.

## Worker's Compensation

Coverage for injured employees while on the job.

## Introduction

As Michigan moves forward with the recreational legalization of cannabis products, many investors and entrepreneurs are jumping at business opportunity. With the legislation, insurance is required for license issuance, so here is a quick synopsis on what coverage there is and how it applies to your business.

## Products Liability

Protection against claims of personal injury or property damage caused by cannabis, hemp or CBD products sold or supplied through your business

## Crop & Finished Stock

Coverage for your most valuable asset ranging from seeds to finished stock
